

STEPHEN SIMMONS

Magician and Host

RIDER

With 1000's of performances around the world Stephen has learnt exactly what is required for you to get the very best out of his Hosting or After Dinner Entertainment. The following is a list of his preferred requirements:

MINIMUM: Technical Requirements

- 1 x headset mic
- 1 x mic on a stand
- PA system
- A well-lit performance space that can be seen by the whole room
- 3x2m minimum free floorspace in the stage area
- Easy access to the stage directly from the audience seating area
- If no sound equipment can be supplied Stephen can supply his own at an extra cost

RECOMMENDED: For Larger Events

- 1 x headset mic
- 1 x mic on a stand
- Sound technician and music playback facilities
- Professional sound system (not the standard hotel built-in PA)
- Stage and lighting
- Camera production can be a good option for the largest events
- Without exception while the performance is on there must be no other activity in room
