- ✔ But, hey – this is still going to be all about YOU. Eyes on you when they need to be... everyone else entertained whenever you need time to yourself, including the photos.
- ✔ I’m not just going to be doing the card tricks you’ve seen before. Seesome of the videos on my Facebook page to get an idea of how I’m different.
- ✔ Unlike other wedding magicians, I’ll include mind reading and hypnotism as well as magic. Nothing embarrassing – just screams of laughter for all the right reasons. You will never get bored of hearing your guests buzzing about the magic long after your wedding.
